Test checklist

Run this before every handover or demo. ~10 minutes.

Website

- [ ] `/` loads, hero image visible, no layout break at 375px width (phone).
- [ ] Nav works on mobile (hamburger opens/closes).
- [ ] `/menu` lists all categories and prices.
- [ ] `/branches` shows 3 branches; "Get directions" opens Google Maps.
- [ ] `/contact` phone link dials on a phone; email link opens mail app.

Billing

- [ ] Tap an item it appears in the cart with correct price.
- [ ] Switch to Swiggy cart prices change to online prices, payment becomes Online.
- [ ] Commission and packing lines appear for Swiggy/Zomato, not for Counter.
- [ ] Enter discount 20 "Customer pays" and profit both drop by 20.
- [ ] Save bill toast confirms; cart clears; Dashboard "Today" order count +1.
- [ ] Print receipt print preview shows shop name, items, total.

Reports

- [ ] Item-wise table totals match Dashboard revenue for the same range.
- [ ] "Prep tomorrow" shows a number for items sold on that weekday before.
- [ ] CSV downloads and opens in Excel/Sheets.

Stock

- [ ] Purchase 10 kg chicken qty increases by 10, movement logged.
- [ ] Used 50 kg rice qty decreases; if below reorder level, status turns "Reorder"

and the Dashboard banner appears.

- [ ] Add a new raw material it appears in the table and the movement dropdown.

Menu & Costs

- [ ] Change a plate cost margin updates, and a new bill uses the new cost.
- [ ] Uncheck "Live" item disappears from Billing and the website menu.

Settings / data

- [ ] Change commission % new bills use it (old bills stay as billed - correct behaviour).
- [ ] Download backup JSON file saved.
- [ ] Reset to demo data then Restore backup data comes back.

- [ ] Reload the page data persists.

Known limitations (say these out loud during the demo)

- Data is per-device/browser; no login, no cross-branch sync yet (cloud upgrade).
- No auto stock deduction per plate (recipe/BOM module = paid add-on).
- Swiggy/Zomato orders are entered manually; there is no live API integration (aggregator APIs need partner approval - quote it as a project).
- Rent/salary fixed costs are not deducted.
